SPRING CLEAN-UP

Benji and Marshall on Spring Work Day got up in the bell tower to inspect the bell. All is good.. We know one bell does both funeral and Sunday morning service. Benji stated that for Sunday service the wheel turns to get the ball to hit the sides. Now the Tole Bell for funeral there's a clapper that hits the side of the bell to get the Tole Bell sound. Janet Brangenberg did some research and could not come up with anything on the Bell. Thanks Janet for looking. Does anyone know anything on the bell??
